MY LIFE PHILOSOPHY

"Dig deeper... Try harder..."

PROUD OF

🏆 **MBS Team**
I have established MBS Team, a group of eager and smart developers. We span many technologies, including Frontend, Backend, Mobile, Web, and Scripting/Automation.
We have been outsourced long-term projects by regional and international clients, including U.S. and Switzerland.

🏆 **Apple Store Apps**
From freetime ideas to business projects, here is a selected list of iOS/iPad apps I created and published.
